## HARDY DOWNING WINS AT OGDEN

Defeats Samuelson in Match Race—Hollister Disqualified for Fouling.

(Special to The Herald.)

Ogden, June 20.—By winning the first and last heats in the one-mile match sprint race, Hardy Downing defeated W. E. Samuelson at the Glenwood saucer track tonight. Not more than six inches separated the riders at the finish. Downing showed the greater ability in his final heat and it was this that brought down the money. In the second heat a second start was necessary. Each man tried to force the other to take the lead and after joggling part way around the track Samuelson had to pull his foot from the top of the track to prevent going down. A few words of wisdom were imparted to the riders by the referee a new start was ordered. The heat proved to be the best of the event. Samuelson winning in 2:30 1-5. He failed to duplicate the trick, however, in the final.

In the mile handicap, Hollister fouled McFarland when the latter tried to pass him in the final sprint. Hollister was given first money and McFarland given first money at previous races.

As a special event, Heagren, with his new motor, rode an exhibition mile in 1:34 1-5.

For the amateurs, Morris was an easy winner in the half-mile open. At the last he shot out of the bunch and came in ten yards to the goal. McCormick, Lawrence and Halstead had a fight at the finish for the honors in the finish of the two-mile lap handicap race. They finished in the order named.

The races were witnessed by a crowd of about 1,400 people. The arrangements were perfect and the crowd apparently well satisfied. The next meet will be held on Thursday evening, when a five-mile open motor race will be a feature of the program. The summary:

## JOCKEY CLUB TO FIGHT NEW LAW

Lawyers Tackle Governor Hughes' New Act to Prevent Bookmaking.

(Special to The Herald.)

New York, June 20.—The Jockey club is determined to bring about a judicial interpretation of the recently enacted anti-betting law. This was made known to press before Justice Bischoff of the supreme court a writ of habeas corpus, directing the sheriff of Kings county to produce before Justice Bischoff Melville E. Collins, who was yesterday arrested at the Sheepshead Bay course, charged with accepting a wager. When Collins was produced the hearing was set down for next Monday.

There was much discussion today of the restraining order against the police which was issued by Justice Bischoff yesterday. Assistant District Attorney Elder and Deputy Police Commissioner Baker both declared that the injunction prohibits no act which the police have thus far performed in their efforts to carry out the law; it merely prevents the police from becoming trespassers and interfering with patrons of the race tracks who are ruled out by the law.

Governor Hughes is keeping in close touch with every development of the case.

James R. Keene today shipped twenty of his yearling thoroughbreds to England via the Atlantic Transport steamer Mesaba.

Sheridan is a Mayo man and he is in training to beat the discuss throw that his father made at the Westport Athletic sports three weeks ago, when Sheridan, son, sent his father to the hospital. That beats Dearborn's hurt about three feet.

"It's a curious thing," said Martin, "that my father should throw the dis-

cus better than I can, but he hasn't been up against me in competition since I left Ireland. Maybe I will surprise him when I get up against him. The trouble is that my father throws the iron every day of his life. Now if I could get to the style of my father's iron I would be the ambition of my life if I could scale the discuss a few feet over him, but it's a feat that he has done."

Before the Sheridan contest there will be nine other contests under the A. A. T. that will call out the best athletes in the country.

**NO BETTING ON BOAT RACE WILL TRY OUT GLIDDEN CAR**

Poughkeepsie, N.
